B. APPENDIX 2: PREMIUM ALLOCATION MODE

B. APPENDIX 2: PREMIUM ALLOCATION MODE

1. From the Premium Due Date until end of the grace period

If the Policy Owner has no instruction regarding Rider Premium, such premium after being fully paid to due Basic Premium shall be allocated to Top-up Premium.

If the Policy Owner has instruction regarding Rider Premium, the premium paid by Policy Owner shall be allocated as follows:

a) For the first three Policy Years:

(i) If the deposited premium is sufficient to pay for all due Regular Premium, such amount shall be paid for such due amount. The remaining (if any) shall be paid for Top-up Premium. If there is still a remaining (if any), after fully paid to due Regular Premium and the maximum Top-up Premium, and shall be held at Manulife (hereafter called "Suspended Premium").

(ii) If the deposited premium is insufficient for all due Regular Premium, such amount shall be used to pay for each due Regular Premium (if enough). The remaining amount (if any) which is not sufficient to pay for any 01 due Regular Premium, it shall be held at Manulife ("Suspended Premium") until Policy Owner pays the shortage premium in accordance with following rules:

i. During the grace period, the Suspended Premium and the additional premium (if any) will be paid for each due Regular Premium. The remaining (if any) after fully paying for all due premiums shall be credited to Top-up Premium.

ii At the end of the grace period, if all the due Regular Premium have not yet been fully paid:

- All Riders will be cancelled;
- Manulife shall use the Suspended Premium, additional premium (if any) and partiality withdraw from Policy Account Value (if needed) to pay for due Basic Premium. The Policy will be lapsed if the above amounts are not enough to pay for due Basic Premium.

b) From the 4th Policy Year:

i. If the deposited premium is sufficient for all due Regular Premium, such amount shall be used to pay for them. The remaining amount (if any) shall be paid to Top-up Premium. If there is still a remaining (if any), after fully paid to due Regular Premium and the maximum Top-up Premium, and shall be held at Manulife (“Suspended Premium”).

ii. If the deposited premium is insufficient for all due Regular Premium, such amount shall be used to pay for each due Regular Premium. If the remaining amount (if any) is not sufficient to pay for one due Regular Premium, it shall be held at Manulife (“Suspended Premium”) until Policy Owner pays the shortage premium in accordance with following rules:

- During the grace period, the Suspended Premium and the additional premium (if any) will be paid for each due premium. The remaining (if any) after fully paying for all due Regular Premium will be paid to Top-up Premium.
- At the end of the grace period, if all the due Regular Premium have not been fully paid yet, the total of Suspended Premium and the additional premium (if any) shall be allocated in the following order:

To pay for Rider

- If Policy Owner register to pay Rider Premium from the Policy Account Value: Suspended Premium, additional premiums (if any) and any amount withdrawn from Policy Account Value (if needed) shall be used for paying the due Rider Premium. All Riders will be automatically cancelled if the total of the above-mentioned amounts are not enough to pay for due Rider Premium.

○ If Policy Owner do not register to pay Rider Premium from the Policy Account Value: Suspended Premium and additional premium (if any) shall be used for paying the due Rider Premium. All Riders will be automatically cancelled if the total of the above-mentioned amount are not enough to pay for due Rider Premium.

- The remaining amount of Suspended Premium and additional premium (if any), after used for paying Rider Premium (if any), shall be spent on due Basic Premium (if sufficient).
- The remaining amount (if any), after used for paying all due premium, will be paid to Top-up Premium.

2. From end of grace period until the 15th days before the Premium Due Date

If all premiums are paid from the end of grace period until the 15th day prior to the Premium Due Date, the premium mode follows the below order:

- To pay for the due regular Basic Premium (or due Regular Premium in case Policy Owner has instruction to pay for Rider Premium) (if any)).
- To pay for the current year Top-up Premium.

3. Within 15 days till the Premium Due Date

If all premiums are paid within fifteen (15) days to the Premium Due Date, the premium mode follows the below order:

- a) Due regular Basic Premium(s) (or due Regular Premium in case Policy Owner has instruction for payment of due Rider Premium) (if any).
- b) Otherwise, the remaining shall be allocated as follows:
 - Regular Basic Premium (or Regular Premium in case the Policy Owner has instruction for payment of Rider Premium) of the next premium payment.
 - Top-up Premium of the current year.

In case of automatically withdraw from Policy Account Value (if any) to pay for premium, Manulife shall not apply Partial Withdrawal Charge and shall firstly make payment from Top-up Account Value then from Base Account Value (if needed).

Of note :

- The grace period of Appendix 2 shall be 60 days since the date of one of the following events, whichever happens earlier:

(i) the Premium Due Date; or

(ii) Policy Account Value, after deducting Debt (if any) becomes insufficient to pay for Monthly Charge.

- Policy Owner may register for paying Rider Premium from Policy Account Value by stating on Application Form or sending written consent to Manulife.
- Policy Owner may at any time request for withdrawing Suspended Premium.
